SIU Women’s Club Board of Directors Proposes Changes to its By-Laws

SIU Women’s Club President Marsha Ryan stated that the Board has begun to think about succession planning for the presidency of the organization and proposes a By-laws change to reflect a new position of President-Elect. This is a one-year appointment with the potential to move into the Presidency at the end of the President’s term(s). The Board felt that the knowledge of the workings of the Board over that one-to two-year period would smooth transition from one President to the next. Other consistency changes needed in the By-Laws are also proposed.

The By-laws require that proposed changes are submitted one month before the annual spring business meeting, and passage will require a 2/3 vote of those present at the meeting which is slated for April 3. Announcements about the availability of these documents will be on the website soon. For those members who receive communications by mail, a hardcopy will be sent. Changes were approved unanimously by the Board, and all Board members will be glad to discuss details with all of you. President Ryan’s phone number is 618 528 4897, and email address is marshagryan@gmail.com.
